Dear Doug,

I appreciate you reaching out to my office for assistance with contacting the New York State Department of Environmental Conservation (NYSDEC) regarding an investigation in the Town of Lansing. Certainly, I regret the reasons which prompted you to contact me.

As your New York State Senator, I must advise you that I do not have any legal authority or jurisdiction to request an investigation into the NYSDEC or their procedures on conducting an investigation. However, in an effort to be of assistance, I have forwarded your correspondence to Matthew Marko, Regional Director for the NYSDEC, to ask for his review and appropriate action. Enclosed is a copy of my correspondence for your review.

As soon as a response is received, a copy will be forwarded to you. In the meantime, please don't hesitate to let me know if I can be of further assistance to you on this or any other matter of interest or concern.

Best Regards,

Pamela A. Helming  
Senator, 54th District
