Dear Director Marko,

As the New York State Senator for the 54th Senate District, I have the privilege to represent Doug Baird of Lansing, New York.

Mr. Baird has made me aware of his concerns with an investigation that was conducted by the NYSDEC on his property located at 477 Lansingville Road in the Town of Lansing. According to Mr. Baird, there was an incident of agricultural herbicide poisoning on his property and feels the NYSDEC's investigation was not properly conducted. Enclosed is a copy of Mr. Baird's correspondence for your immediate review and appropriate action. Your willingness to look into this matter will be greatly appreciated.

If I can provide further information or be of assistance on Doug Baird's behalf, please do not hesitate to contact me.

Sincerely,

Pamela A. Helming
Senator, 54th District
